To attach support feet:

With the organizer facing you, attach one support at a time. Hold the support from the rear, applying the front lip over the front edge of the base of the organizer; guide the support through the grooved opening on the bottom of the organizer and apply pressure to the back of the support as it snaps into the back opening.

To remove support feet:

With the organizer facing you, pull the support loose from the front of the organizer while releasing the rear snap.

To load currency straps:

With the organizer facing you, lift either the left or right panel by unsnapping the panel from the top and bottom of the organizer; insert the currency straps as needed and close by applying pressure to the panel at the top and bottom.

To hang on the wall:

Open the organizer's left and right panels and secure to the wall surface using 4 small screws or nails. (Do not attach support feet)
